

ROSSI MACHINERY SERVICES, INC.

Since 1995 crossi@rpscnc.com Toll Free: 866-622-4488

CAPABILITY STATEMENT: MACHINE TOOL REBUILD

CAGE CODE: 68PX5 WOSB & WBENC CERTIFICATION #2005120864

NAICS CODES: 811310

CORE COMPETENCIES:

Rossi Machinery Services is a Certified Woman-owned & Operated Product & Service Company.

For over 35 years we have rebuilt machine tools for their lasting production ability— 20 + years.

Our German-style of rebuilding stresses the machine' geometry, returning the machine to new machine tolerances.

We call our Rebuilds: **NuBuild by ROSSI**. *Our name is on all that we do.*

DIFFERENTIATORS:

- We have over 35 years of developing key relationships with vendors, obtaining distributorships & connections to better serve our customers.
- We have a high customer satisfaction rate—many customers that span over 20+ Years
- Ability to receive, rebuild, crate and ship out your rebuilds—production ready. Partner with the Finest Shippers
